# Jacksonville Public Schools Foundation

## **NEWS AND VIEWS**

April, 2008

Dear Friends,

At a recently held Board of Directors' Meeting, the Board voted to purchase nine LCD projectors for the schools. This makes a total of twenty seven projectors purchased by the Foundation. In addition, they voted to sponsor the mini-grant program for the District's teachers.

Today is a technology driven world and we must provide the technology for our students and teachers. Never forget these are the future citizens of Jacksonville. They are your future customers and clients that are being taught in our schools.

We have seven elementary schools but we have furnished two wireless computer labs that are being rotated among these schools. We need to place a wireless lab in each elementary school. Therefore, we need five more labs.

We need your help to reach this goal. Please consider a tax deductible donation to the Jacksonville Public Schools Foundation, 516 Jordan, Jacksonville, IL 62650.

Sincerely,

Jack Mathews,  
Executive Director
