

Help 7th Grade Turner Students
MAKE THEIR OWN HISTORY

* Transportation round-trip from Jacksonville to Chicago: \$9,500

* Admission to the Shedd Aquarium & Field Museum: \$1,200

* Food and Drinks for 275 students: \$5,500

* Giving our children a chance to
MAKE THEIR OWN HISTORY:

PRICELESS

An opportunity has arisen for 7th graders at Turner Junior High School to travel to Chicago. This trip will include seeing both the John G. Shedd Aquarium and the Chicago Field Museum on October 24th. The cost per student is around \$60.00 which is prohibitive for many Turner families. YOU can help a Turner student experience this once in a lifetime educational opportunity. Your help will not go unnoticed! The Jacksonville Journal Courier and Jacksonville Area Chamber of Commerce will be recognizing sponsors in their respective publications.
