

Jacksonville Area
Health Care
Providers
Guide

The Health and Community Agencies Committee of the Jacksonville Area Chamber of Commerce, in partnership with Passavant Area Hospital, has prepared this directory of health care providers as a service to the community.

Jacksonville is a wonderful place in which to live, work, play, learn, and shop. We have a rich tradition of progressive education, business and employment opportunity, and social and recreational activities.

Our community provides a wide range of healthcare services including health care practitioners in various medical and health-related areas and suppliers of medicine and medical equipment.

Please take a few moments to acquaint yourself with the contents of this booklet in the event that you may need one of the services listed. We hope this booklet is of assistance to you.

Sincerely,

A handwritten signature in cursive script that reads 'Ginny Fanning'.

Passavant Area Hospital, a Magnet® Hospital, serves the residents of Morgan, Cass, and Scott Counties, and parts of Greene and Macoupin Counties in West Central Illinois, and is located on the city's west side.

Passavant, a not-for-profit hospital, is staffed by 915 full and part-time employees and an active medical staff of 60 physicians. The hospital is certified for 93 patient beds.

Passavant's campus is also home to a variety of physician offices and clinics. A new medical office building on the campus opened in June 2013.
