

MacMurray College & Jacksonville Area Chamber of Commerce

Tuition Incentive/Discount Agreement

MacMurray College strongly supports the community interest served by Jacksonville Area Chamber of Commerce and its mission. The College extends to the Jacksonville Area Chamber of Commerce members, employees, or their immediate family members a special tuition incentive agreement beginning in fall of 2012.

- All Jacksonville Area Chamber of Commerce members in good standing, employees, and their immediate family members are eligible to receive this discount.
- Chamber members, employees, or their immediate family members may elect to accept a 25% tuition discount off tuition when they are accepted as students and are enrolled in any of MacMurray College's traditional, undiscounted, undergraduate degrees programs.
- Jacksonville Area Chamber of Commerce members, employees, or their immediate families who wish to participate in this tuition discount agreement must complete verification in conjunction with the Jacksonville Area Chamber of Commerce and provide it to MacMurray College Office of Financial Aid.
- All MacMurray programs offered at a discounted tuition rate are excluded.
- This discount may not be combined with other MacMurray College scholarships or grants.
- Students participating in the MacMurray College - Jacksonville Area Chamber of Commerce Tuition Incentive Agreement who attend full-time (12 credit hours or more per fall or spring semester) or half-time (at least six credit hours per fall and spring semester) are eligible for additional state and federal financial aid.
- Students participating who wish to take only a course or two to gain competences may do so under the terms of this agreement, after applying and being accepted to MacMurray College as a non-degree-seeking student.
- Students participating must maintain an honorable academic record, in keeping with the academic standards of MacMurray College.
