

The Health & Community Agencies Division invites you to attend:

# Telehealth Seminar

Tuesday, May 23, 2017  
12:00 to 1:00 p.m.

Jacksonville Area Chamber of Commerce Meeting Room

Presented by: Dr. Nina Antoniotti, MD, SIU School of Medicine, executive director of telehealth and clinical outreach

Dr. Antoniotti will:

- Explain telehealth - this new service will be offered to the community at Passavant Area Hospital through a new partnership with SIU.
- Demonstrate the service through a mock patient call.
- With telehealth, patients can visit Springfield medical specialists using videoconferencing technology at Passavant.

You are welcome to bring your lunch.  
Tea, coffee, and water will be provided.
